RE: City of Wyoming - Enterprise Wi-Fi Solution Phase 1

Cory:

Buist Electric has reviewed the requirements of the work and will provide labor, materials and equipment to complete the following:

- Installation of a customer provided wireless access point at the Water Treatment Plant to include:
 - (100') Average ¾" IMC conduit
 - Paint conduits and boxes as needed
 - (200') Average of Category 6 CMR network cable
 - Terminate, test and label according to industry standards
 - Firestop all penetrations as needed per code and standards
 - Pricing does **not** include prevailing wage
 - Patch cords are **not** included

Total **Bid** Price: **\$1,750.00/per location**

- Installation of (10) customer provided wireless access points at the Clean Water Plant
- Pricing does **not** include prevailing wage
- Patch cords are **not** included

Total **Bid** Price: **\$1,794.00**

This price is valid for (15) days and will be subject to review after that time.

Thank you for the opportunity to submit this quotation. Please feel free to contact me directly at (616) 583-5276 with any questions.

Respectfully,

BUIST ELECTRIC

RE: City of Wyoming - Enterprise Wi-Fi Solution Phase 1

Cory:

Buist Electric has reviewed the requirements of the work and will provide labor, materials and equipment to complete the following:

Option #1: Water Treatment Plant EMT Painted

- Installation of a customer provided wireless access point at the Water Treatment Plant to include:
 - (100') Average ¾" EMT conduit
 - Paint conduits and boxes as needed
 - (200') Average of Category 6 CMR network cable
 - Terminate, test and label according to industry standards
 - Provide labor and equipment to core holes through concrete and block as needed
 - Install the provided wireless access points
 - Install the (6) provided Oberon boxes
 - Provide platform lifts
 - Firestop all penetrations as needed per code and standards
 - Pricing does **not** include prevailing wage
 - Patch cords are **not** included

Total **Bid Price: \$1,211.00/per location**

Option #2: Water Treatment Plant EMT Not Painted

- Installation of a customer provided wireless access point at the Water Treatment Plant to include:
 - (100') Average ¾" EMT conduit
 - (200') Average of Category 6 CMR network cable
 - Terminate, test and label according to industry standards
 - Provide labor and equipment to core holes through concrete and block as needed
 - Install the provided wireless access points
 - Install the (6) provided Oberon boxes
 - Provide platform lifts
 - Firestop all penetrations as needed per code and standards
 - Pricing does **not** include prevailing wage
 - Patch cords are **not** included

Total **Bid Price: \$1,090.00/per location**
